Strategy announcement looks good.

On the DFO job, it shouldn't say "must reside in....." and then also say that relocation is authorized. For this announcement, there should be no relocation authorized and I'm not sure why we limited the States to those listed as opposed to just listing every state that makes up the Western Area? Thanks

Chief and Deputy Chief,

The draft announcements for the Director of Strategy and DFO Western Area are attached for your review. I used the final Refund Crimes Director Announcement that was recently approved as a basis for these. The open and closing dates are just plug-in dates.

For the DFO Western Area position, I limited the location to states where a SAC office is located.

Thanks.
